

Hemp Sample Submission Instructions

Submitting a Sample

STEP 1

Sample preparation

Refer to the Pricing & Quantity Requirements chart below to calculate the total sample amount needed for the test you want completed.

Place each sample in an **airtight, resealable** container.

Label each container with the sample name and batch number.

It is recommended that samples be dried prior to shipping.

STEP 2

Form preparation

Fill all the following fields on the Hemp Intake Form:

contact name, email, company name, phone number, company address, sample name, batch number (*if applicable*), testing code(s) (*use values listed in testing codes table*), matrix (*use values listed in matrix codes table*), include any additional sample information, sign and date the form.

STEP 3

Sample submission & payment

Hemp and hemp-derived CBD products may be shipped in for analysis by licensed hemp growers and processors.

We suggest samples be shipped using overnight or next-day service.

Please **do not** require a "signature upon receipt" for your package.

Payment should be rendered in the form of a check or money order and included with the samples. To pay by credit card, please indicate on the additional sample info line and a credit card link will be emailed to you.

STEP 4

Sample drop off

You can make an appointment to drop off samples with our staff via 215-220-9982 or info@alliedhemplabs.com.

Monday-Friday
09:00 am to 5:00 pm.

Please include the sample intake form with your samples.
